

Awake

Jamison J. Statema

Verse 1

Sometimes at night when I just can't sleep
I wake up and as quiet as can be
I talk to God because He's always awake with me
If I wake up because I had a bad dream
I take a deep breath and try not to scream
Then I talk to God because He's always awake with me

Chorus

It's quiet at night when the lights go out
That's when I tell God all about
How much I love Him
And how much He means to me
I tell Him I'm sorry for my mistakes
I pray the Lord my soul to take
I talk to God because He's always awake with me

Verse 2

If I have a problem that I can't work out
I lay in bed and I think about it
As I talk to God because He's always awake with me
And if I don't feel well and I just can't rest
I ask the Lord to His best to fix me up
Because He's always awake with me

Chorus

Verse 3

When I am sleeping through the night
I know that I will be all right
Because God is here
And He's always awake with me

Chorus
