The itsy bitsy spider went up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again

Watch the spider climbing up  
Even though the rain is falling down (3 times)  
Watch the spider climbing up

The itsy bitsy spider went up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again

A spider has 8 legs to help them move about  
They're creepy and they're crawly  
And they freak my mama out (2 times)

The itsy bitsy spider went up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the itsy bitsy spider climbed up the spout again

They're creepy, They're crawly  
They're on my kitchen wally  
They bug me that's the issue  
I'm gonna get you with a tissue
