

Little Buckaroo

Jamison J. Statema

Verse 1

It's been a long day ropin' and a ridin' on the range -Oh yeah
It's been a long day drivin' those cattle 'cross the plains - Oh yeah
All of the doggies are in the corral
It's time to close your eyes and sleep little pal

Chorus

You're my little buckaroo and I'll hold you in my arms tonight
You are a dream come true and I wish the same for you tonight
As the sun sets down and you ride into the night
You'll hear me say as I tuck you in tight
I love you my little buckaroo

Verse 2

There are good guys
And you know as well as me that there are bad guys too
But I know you're brave
So you don't need to worry about what those bad guys do
'Cuz cowboys like you always stand for what's right
When trouble comes I will stand with you and fight

Chorus

Bridge

Giddyup – go to sleep now, Giddyup, Yippee ki-yea
Giddyup – go to sleep now, Dream this night away

Chorus
