Verse 1

A king would trade his finest crown
For a love, love like this
And warriors have laid their weapons down
For a love, love like this
Hearts would break a thousand times
For a love, love like this
And arms will wait a thousand nights
For a love, love like this

Chorus

Love may come and love may go
But here inside your arms I know
That only you will ever show me
Love like this

Verse 2

You and I have finally found
Love, love like this
A place to lay our burdens down
In a love, love like this
Hearts can speak without a sound
In a love, love like this
What makes the world keep turning around
Is a love, love like this

Chorus

Verse 3

The moon has never shown before
On a love, love like this
And I have never wanted more
Then a love, love like this
A love, love like this
