Number 1, No other God but the One who is true
Don't worship any other that's Commandment 2
Number 3, use the name of God only with respect
Number 4, On Sunday take a rest
We're halfway through with one just for you
Listen to your mom and dad and what they say you gotta do

It's the ten commandment boogie
Gonna dance it 'til I die
It's the ten commandment boogie
You can do it so can I
If you follow it through you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie

Number 6 – don't ever take somebody's life
7 feels like heaven, but only with your husband or wife
Number 8 is great along with number 9
Don't steal from others and don't ever lie
And if your friend has something you think is cool
Don't ever wish that it was yours – and that's the final rule in . . .

The ten commandment boogie
Gonna dance it 'til I die
It's the ten commandment boogie
You can do it so can I
If you follow it through you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie

Some people say that I'm old-fashioned for believing in
God's rules (they're just fools)
But the B-I-B-L-E yeah that's the book for me and it's full
of unbelievable tools,
Just like the . . .

ten commandment boogie
Gonna dance it 'til I die
It's the ten commandment boogie
You can do it so can I
If you follow it through you'll be amazed what you can do
So get your groove on with us tonight
We'll do the ten commandment boogie
