I have a book it teaches me everything that I know
And in this book it shows me how I need to grow
In my life, I read it every single day
It is the truth, It is my life, and it's my way
It is how God speaks to me

The B-I-B-L-E , yeah that's the book for me
I stand alone on the word of God
The B-I-B-L-E

Sometimes my friends they sing a different song
And I'm not sure if they're right or if they're wrong
So I go and get this book off of the shelf
And learn from God the Creator of Life Himself
It is his letter to me

The B-I-B-L-E , yeah that's the book for me
I stand alone on the word of God
The B-I-B-L-E

How did life begin? It's in there
How will world end? Guess what? That's in there too
Any burning question rolling around in your mind
It's all in here to find
