

The Laughing Song (Ticklish Reuben)

Take a step to the left
And a step to the right
Jump up and down and get silly tonight
Everybody move around
Like you've got ants in your pants
Grab your mom or dad or brother
And let's do the crazy dance

Shake your head to your toes
From your knees to your nose
From your hat to your shoes
Tell me what've you got to lose

Everybody do the crazy dance!
