

# You're My Little Girl

Jamison J. Statema

## Verse 1

The ones you love they let you down  
And I want you to know that I'm sorry  
The choices that they made were wrong  
You were caught in the middle and I'm sorry

So when the anger and the pain  
Get the best of you  
I know it seems like you're all alone  
But I am feeling it too

## Chorus

'Cuz You're My little girl  
You're the one that I created  
No one in this world could ever be like you  
When you're cryin' in the night  
All you need to do is call Me  
I'll be there for you  
'Cuz you're My little girl

## Verse 2

When you're lookin' in the mirror  
I hope you're likin' what you see  
Because no matter what you're feelin'  
You're perfect to Me

Because I see you as a child  
Blameless in My sight  
Just spend some time with Me  
And I'll make everything all right

## Chorus

## Bridge

I know you don't deserve what you've been through  
And I know it doesn't seem fair  
I know that there are times you think you're alone  
But you've got to know that I will be there

## Chorus
